BRICK SPACE MAN

What the?

Several OVERSIZE BRICK ARMY MEN on horses chase the Brick Space Man.

- A) Army Men chasing the Brick Space Men.
- B) The Oversize Brick People running in all directions.
- C) The Brick Space Man running.
- D) The Oversize Brick Army Men almost capture him.
- E) The Brick Space Man get away.

EXT. FIELD - DAY

Two normal sized BRICK SCIENTIST(we also call them "L's" for short too...) hit the brick space man over the head.

BRICK SCIENTIST #1

Good, we killed him.

BRICK SCIENTIST #2

Can't have the likes of him running around and monkeying things up.

BRICK SCIENTIST #1

Our job here is done now.

BRICK SPACE MAN

But, I'm not dead yet.

BRICK SCIENTIST #2

I told you need to hit them harder. I guess if you want something done right you have to do it yourself.

Brick Scientist #2 is about to hit the brick space man.

BRICK SPACE MAN

Why are you trying to kill me.

BRICK SCIENTIST #1

Just great, this one want's an explanation too...

BRICK SCIENTIST #2

We are scientists from the future, and we are tired of you guys in the past messing with the future.

BRICK SCIENTIST #1

So when you pop in for a visit, we just take care of matters ourselves.

BRICK SPACE MAN

But I'm astronaut from the planet brick. I come in peace.

BRICK SCIENTIST #1

That's what they are say.

BRICK SCIENTIST #2

I just guess we have to prove it to him too.

The Brick Scientist tele-port the Brick Space Man.

EXT. BEACH - DAY

The Brick Space Man is tele-ported on the beach. He looks at something, gets down on his knees and cries.

BRICK SPACE MAN

Noooooooooo!

There's a block toy made out of a robotics invention system that requires 1 9V and 6 1.5V batteries(We call this "M.S." for short) buried in the sand.

The Brick Scientist tele-port in behind the Brick Space Man.

BRICK SCIENTIST #1

Maybe next time, we should just welcome them to our planet?

BRICK SCIENTIST #2

No, this is more fun.

FADE TO BACK.
