

# ZIVON BUILDING STEPS

The monstrous Zivon aids the Visorak in their conquests, but even the spider creatures fear its approach! In addition to its massive strength and wickedly sharp tail, this creature from the zone of darkness has four Rhotuka spinners that can temporarily blind, deafen, make mute an opponent or rob a foe of his sense of touch. ■

# BIONICLE

Build the Zivon using parts from #8743 Boggarak, #8744 Oohnorak, #8745 Roporak, #8746 Keelerak, #8747 Suukorak and #8742 Vohtarak.
