

. detailing in LEGO .

presented by

jeremy rear . pnltc

j.rear@worldnet.att.net

a more accurate presentation may supercede this session and will be available on
www.brickswest.com

A detailed LEGO architectural model of a building with a red roof, a grey facade, and a large arched window. The model is set against a blurred background of other LEGO structures. The text 'detailing in LEGO' is overlaid on the top right of the image.

detailing in LEGO

This session is interpretive of case studies, focusing on innovative details in LEGO design and building.

Graphic precedence includes :

- . LEGO Trains
- . LEGO Architecture
- . LEGO Town Infrastructure
- . LEGO Military

It's all in the details ...

. interpreting (LEGO) detail .
