1x

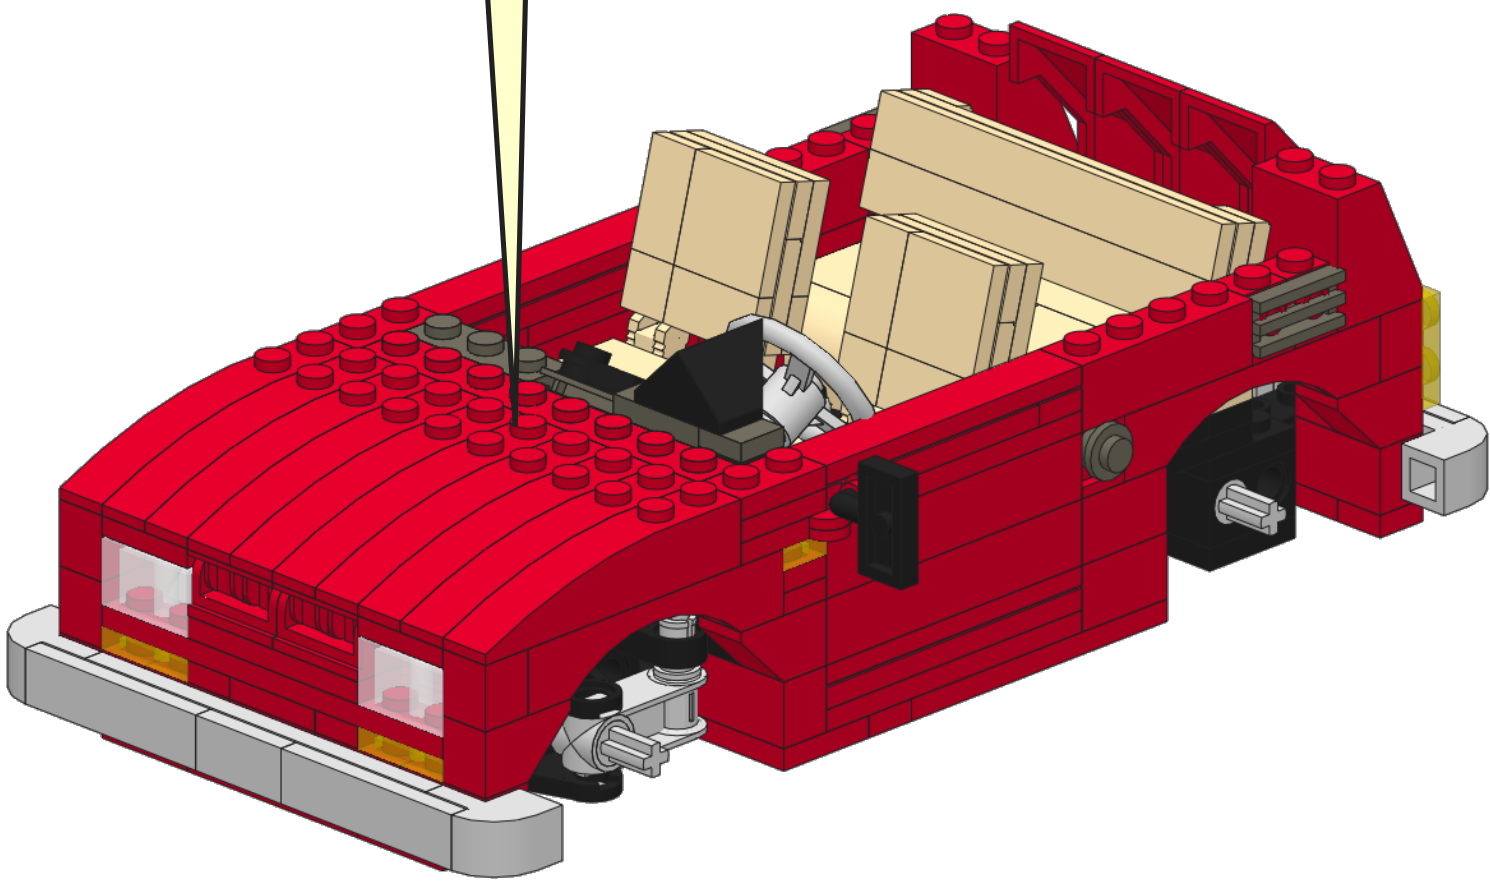

This inset box shows the parts required for step 28: eight red 1x5 Technic bricks with a curved top edge and one red 1x5 Technic brick with a straight top edge.

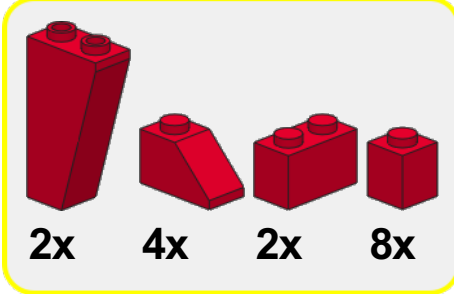

1

2

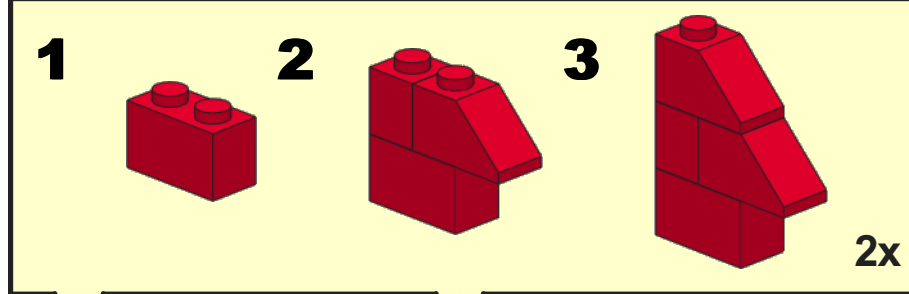

This inset box shows the assembly steps. Step 1 shows a red 1x5 Technic brick with a straight top edge. Step 2 shows a red 1x5 Technic brick with a curved top edge being placed on top of the brick from step 1, with a green arrow indicating the downward direction of placement.

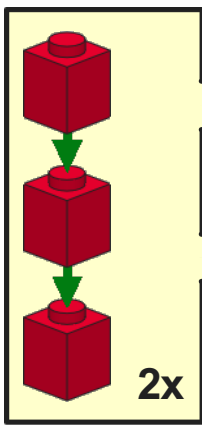

2x 4x 2x 8x

This inset shows four red LEGO parts: a 2x4 Technic brick with two holes, a 1x4 Technic brick with a sloped top, a 2x4 Technic brick with two holes, and a 1x4 Technic brick with two holes. Below each part is its quantity: 2x, 4x, 2x, and 8x.

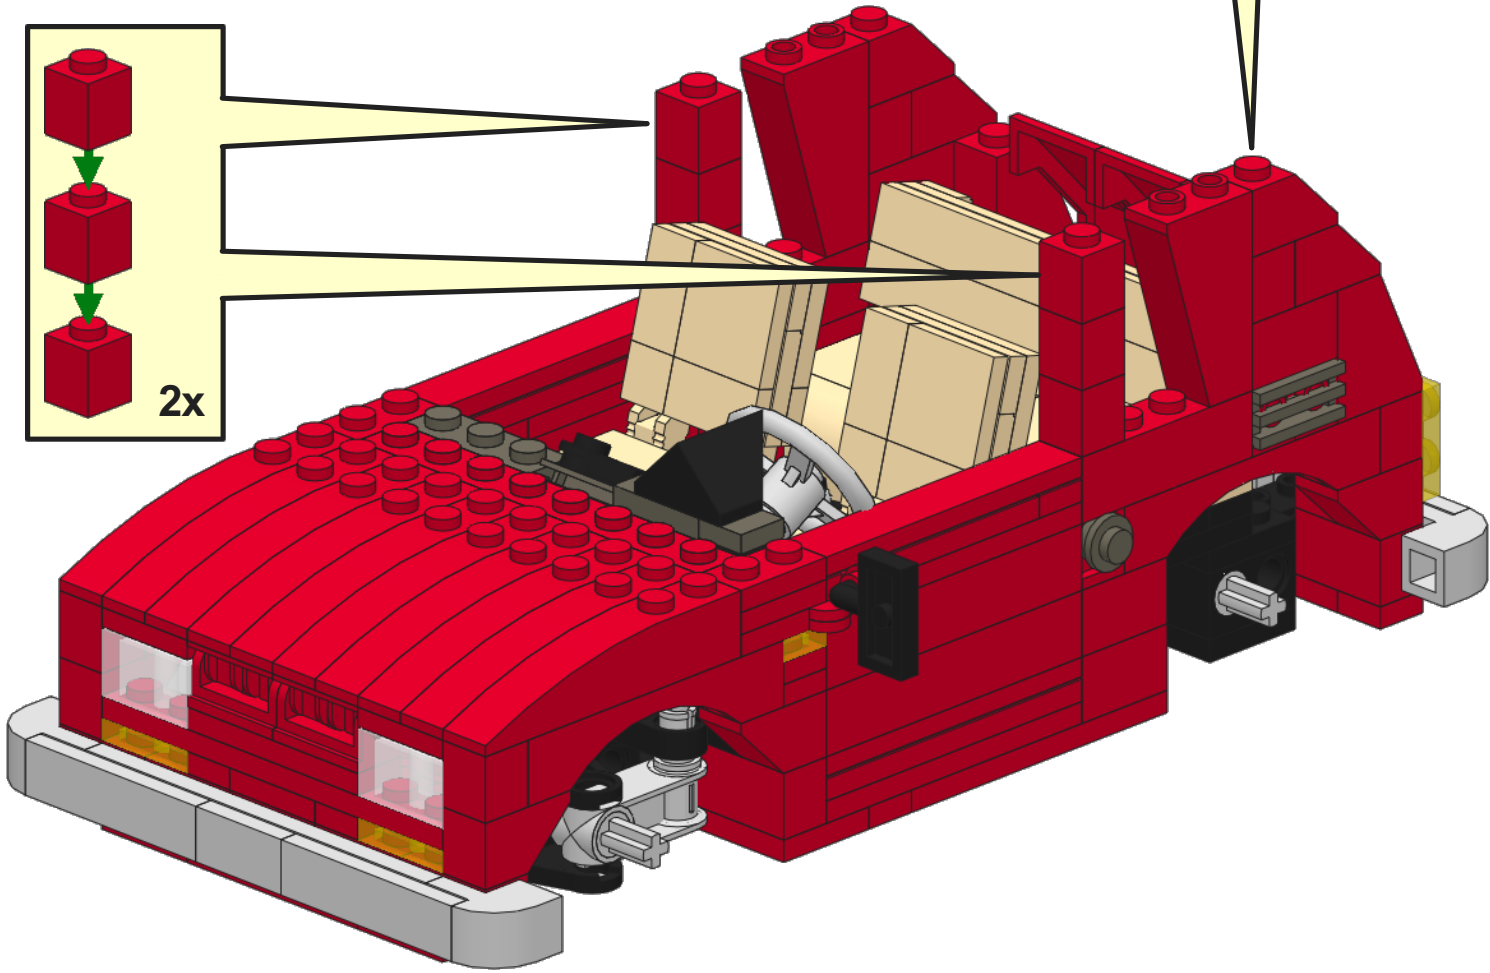

1 2 3 2x

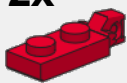

This inset shows three red LEGO parts labeled 1, 2, and 3. Part 1 is a 2x4 Technic brick with two holes. Part 2 is a 2x4 Technic brick with two holes and a sloped top. Part 3 is a 2x4 Technic brick with two holes and a sloped top. A '2x' label is positioned to the right of part 3. Lines connect these parts to the main assembly diagram.

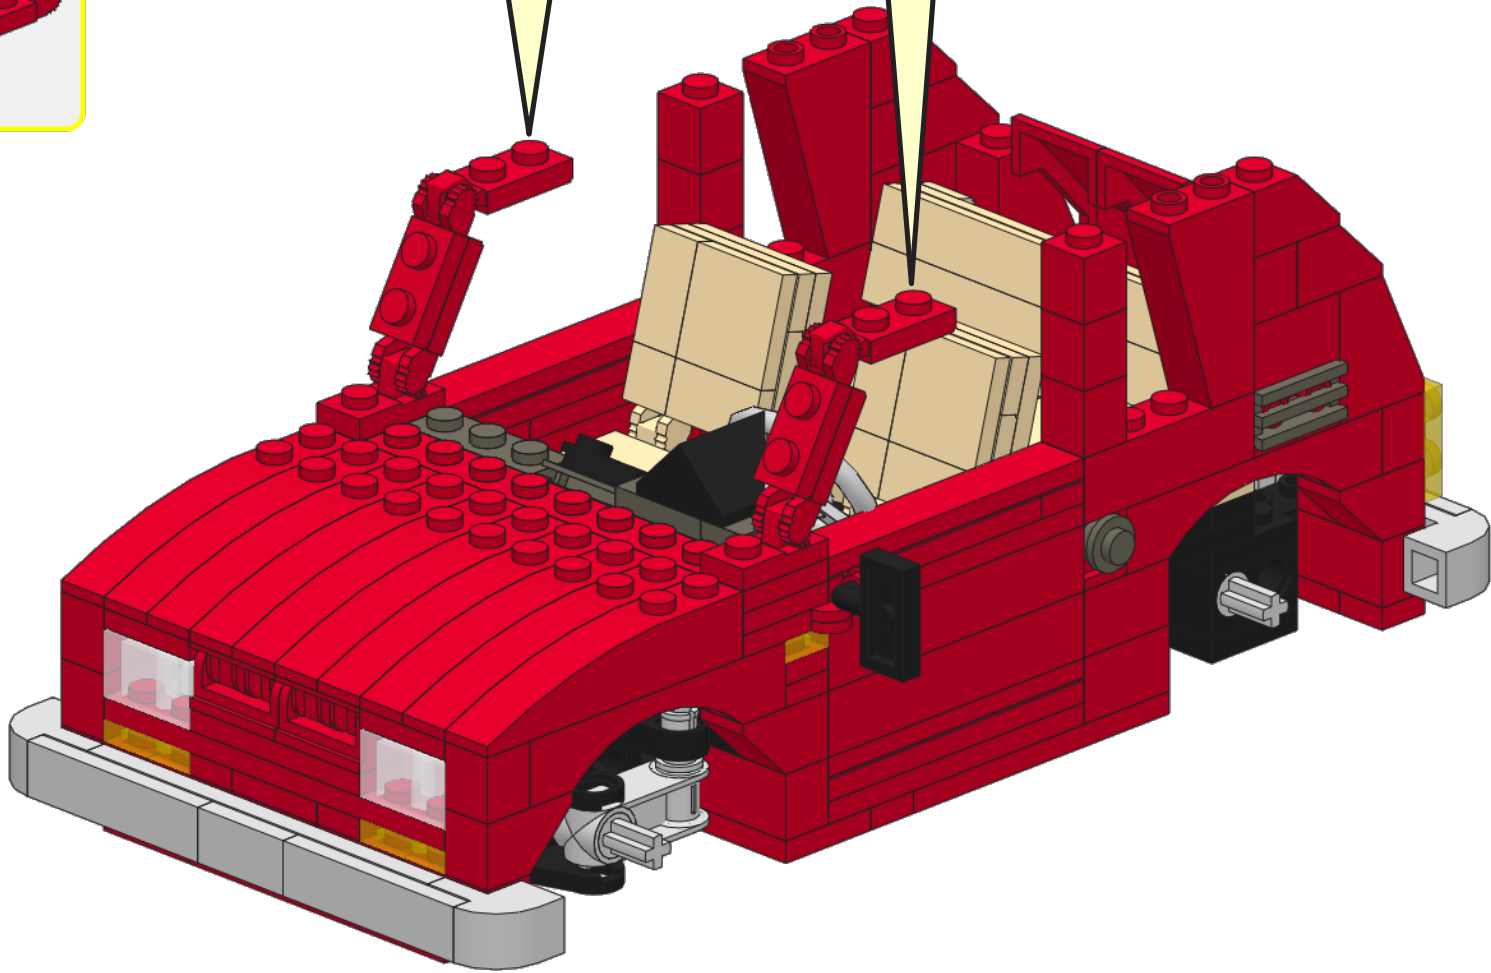

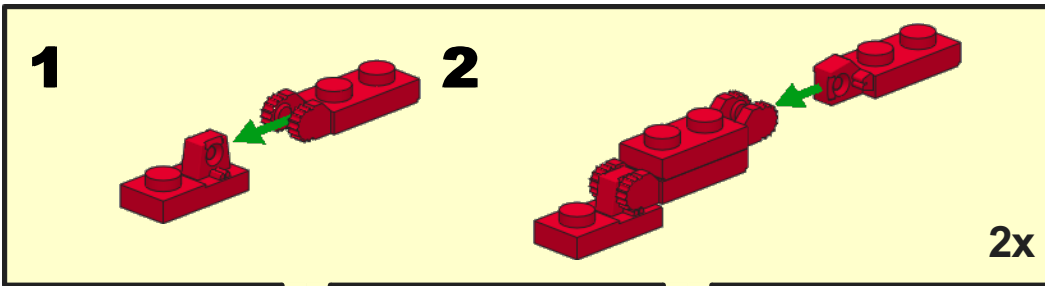

2x

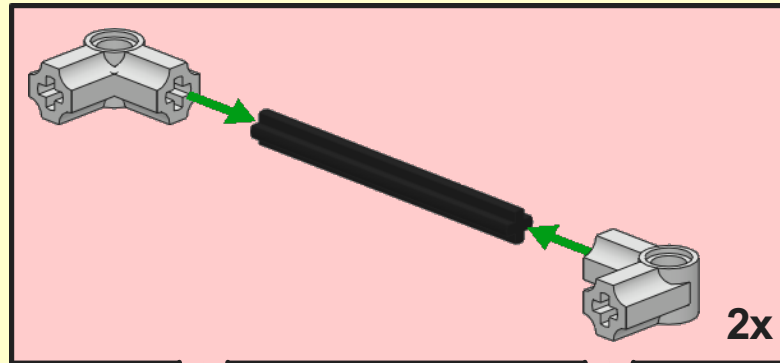

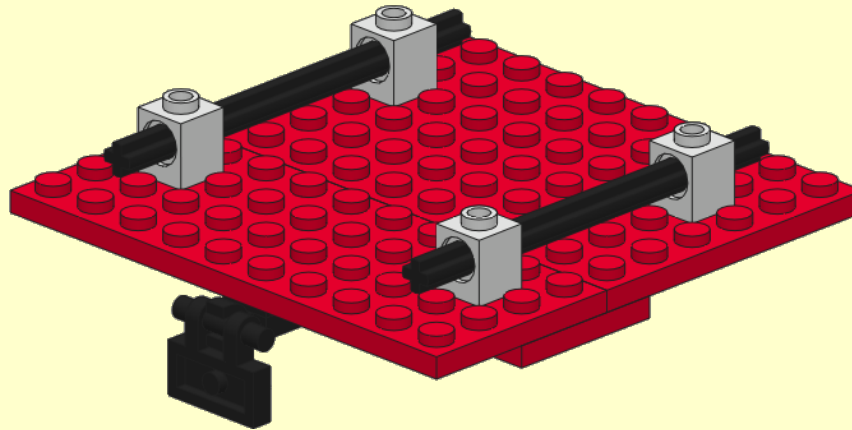

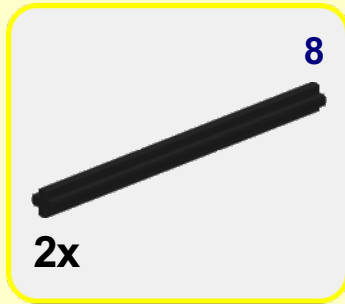

This inset shows a vertical stack of three red 1x4 Technic bricks with two holes. Green arrows point downwards between the bricks, indicating they should be stacked. A '2x' label is at the bottom right.
