

"Keeping track of your
Continuing Medical Education"

101-7380 Westminster Highway
Richmond, B.C. V6X 1A1
604-273-9404

cordially invites all **physicians to this virtual CME on Opiate Addiction**

Eight Years into BC's Overdose Emergency

Where we stand and what's to come

Dr Alan Brookstone of Precision Medical Monitoring will be available for questions and comments.

Learning Objectives:

- provide an overview of the epidemic on substance use disorders in BC
- identify, evaluate effectiveness of treatment options for opioid use disorder
- review harm reduction measures implemented to reduce overdose mortality
- discuss the province's response to the public health emergency on opioid overdose

Speaker: Bohdan Nosyk, PhD
