

"Keeping track of your  
Continuing Medical Education"

101-7380 Westminster Highway  
Richmond, B.C. V6X 1A1  
604-273-9404

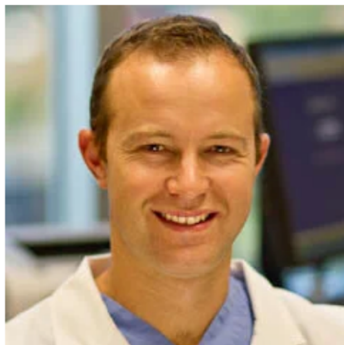

*Cordially invites practising physicians to*  
**Rezum Water Vapour Therapy for BPH**  
*A Minimally Invasive Approach*

Learning Objectives

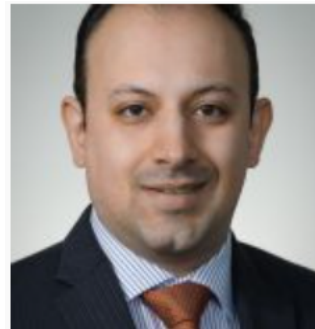

- What exactly is REZUM and where did it come from
- REZUM set up, facility and equipment needs, and procedure
- Choosing patients for REZUM - explaining it to them as an option

Moderator: Michael M Myckatyn MD

Speakers: Richmond based urologists

**Dan Rapoport MD FRCS**

**Reza Hamidizadeh MD FRCS**

Rezum is a minimally invasive treatment for benign prostatic hyperplasia that uses steam to reduce the size of the prostate and relieve urinary symptoms. The body then absorbs the treated tissue, opening the urethra and improving urine flow.

**Seasons in the  
Park-Summit Room  
Tuesday, October  
21, 2025  
6:30 pm**

**Registration** Joe Hewlett- Boston Scientific
