

"Keeping track of your
Continuing Medical Education"

101-7380 Westminster Highway
Richmond, B.C. V6X 1A1
604-273-9404

cordially invites all practising physicians to this in-person CME on

Moderate Depressive Disease

Expert Psychiatrists Exchange and Express themselves - Explore new Findings

Learning Objectives:

1. Identify ways to optimize treatment selection in MDD considering the individual's symptoms and the pharmacological profile of the treatment options
2. Consider how to achieve rational polypharmacy to engage multiple targets when appropriate
3. Recognize the importance of identifying and appropriately addressing depression with symptoms of anxiety to help patients achieve their goals

Dr. Shaohua Lu MD FRCPc

Psychiatrist-VGH

Chair the BCMA's Council on Health Promotion
addiction project group.
