

AJUDE A ABELHA CHEGAR ATÉ A COLMEIA, COMPLETANDO A SEQUÊNCIA NUMÉRICA.

A grid of 20 beehives arranged in 4 rows and 5 columns. Each beehive is a yellow, ribbed oval hanging from a brown twig. The numbers in the beehives are as follows:

1		3		
5		7		
10				14
15		17		
18				

The beehive at the bottom right is a large, multi-tiered yellow structure with several bees flying around it. There are also some green bushes and trees in the background.
