Touya's favorite way to unwind from the work week was watching his favorite camboy, Hawks, nearly every Saturday.

Chapter 1

Touya didn't work weekends, which he was thankful for, but not because he wanted to go out and let loose. No, he preferred staying in and indulging himself in other ways.

Like watching his favorite camboy fuck himself open on livestream, as he did almost every Saturday.

The best part was the camboy, Hawks as he went by online, almost always used the dark red silicone cock Touya had bought from the blond's wishlist. It made his chest fill with pride every time without fail, though Touya did still wish it was him instead. Who wouldn't?

But on the current stream, Hawks hadn't gotten to the good part yet, and wouldn't until he reached his next donation tier. The crimson toy sat tall and proud ominously in the background, begging to be used, while the blond lounged on his side, leg raised with an arm curled beneath it to finger fuck his hole, sheer black top caught between his teeth as to not shield the view. He hadn't even taken off the dark blue lace panties, just moved them to the side as he played with himself, tip of his flushed cock peeking out near his hip and cute balls straining the fabric. The crystal piercing settled in his belly button glittered with every jump of his abdominal muscles, catching Touya's eye periodically until he focused on slender fingers disappearing into a slick hole again.

"Aww c'mon," Hawks chided with a pout at the camera, dropping the shirt from his teeth, eyes fluttering closed on a soft gasp before continuing, "I know you want me to stuff my hole with a thick cock just as much as I do. Won't you let me?"

The on-screen chat exploded with comments Touya didn't care to read, solely focused on Hawks and how he was repositioning himself to further entice the audience. He knelt facing away, holding the panties to expose his sloppy pink hole, glistening with lube. He let the lace material slide back into place with a moan. Touya was engrossed with the show, especially with how the blond's thick ass swallowed his panties, giving the illusion he was wearing a thong. So engrossed that he'd almost entirely forgotten about his cock gripped in his hand, pumping it slowly, almost robotically.

Hawks kept his hips held high as he lowered his upper half, reaching between his legs to glide his fingers over his now covered hole, down his taint and balls to palm his cock through the lace. His hips rocked back steadily as he teased himself until a chime sounded, an animated cat crawling on screen to throw confetti with a message that the monetary goal had been met.

Pulling himself to sit, ass cradled between his feet, Hawks cooed at the audience, smile bright and mischievous. "I knew you wanted me to stuff myself." He grabbed a fat cheek and dropped it, looking seductively at the screen with his bottom lip caught between pearly teeth.

While Hawks shimmied out of his panties, ensuring to make his ass jiggle through the whole process, Touya thumbed over his cockhead, smearing the beaded precum. Using that as extra lubricant, he made a tight ring with his thumb and forefinger, sliding the tip through it a few

times before going back to ignoring his dick as Hawks finally laid on his side again, lining the red dildo dripping lube with his prepped ass. The gorgeous column of his tanned throat became exposed as his head tilted back, sighing a moan as he eased the toy in.

Touya had a deep seated need to mark the perfect flesh in dark love bites and stake his claim on the camboy.

Blue eyes were rapt with the small movements of Hawks' wrist as he pumped the toy he'd bought for him in and out of his hole, taking a little more each time. Excitement ignited in Touya's gut when the flared base was finally pressing against his reddening rim. *Now* he could properly jerk off. He fisted his cock just as Hawks pulled the toy out and slammed it to the hilt, jolting himself in pleasure and forcing a moan past his plump lips. Touya matched his strokes with Hawks' movements, desire winding through him as the camboy babbled to himself.

"F-fuck, so big, *so big*, you're so big, oh *fuck*." Hawks' praise went straight to his dick, which Touya knew for a fact was bigger than the silicone plugging him, keeping the hole warm until it was his turn to fuck him stupid.

Touya's hand slid faster and faster over his cock as Hawks picked up the tempo, whining and panting as the flared base repeatedly slapped against him. "You feel so good inside me," Hawks groaned, eyeing the camera with a heavy gaze, a deep blush settled high on his cheekbones.

Watching the inches disappear between plump cheeks, the toy making slick smacks between them, the whiney moans, the praise, all of it a dangerous combination for Touya, gripping his phone nearly as hard as he was gripping his cock in the other hand. He could feel sweat beading on his forehead and dampening the hair at his nape.

"Harder," the blond demanded brokenly. "*Harder*—oh fuck, fuck, *fuck*, right there." Hawks' voice began pitching higher, dick throbbing against his abdomen and balls twitching.

Touya knew the other man was close and so was he, beginning to twist his hand around the head of his cock on every upstroke.

"Oh my—*fuck*, I'm gunna c—*ah*, *ah*, I'm gunna cum!"

With a bitten off curse, Touya clamped down on the base of his cock, feeling the member throb as it was denied an orgasm, but getting plenty satisfaction seeing cum pump from Hawks completely untouched, seed dripping down his abdomen and even across the piercing, no longer glinting in the light as it was covered in cum.

Touya kept his cock grasped firmly in his hand, ignoring how it pulsed with the need to cum as he watched Hawks show off his ruined hole for the audience, mewling as he dipped his fingers in the gaping ring. Tips poured in, chimes going off annoyingly and Touya closed his browser before Hawks bid them farewell.

He laid back on his bed for a few minutes, absently ghosting his fingertips over his cock as it oozed pre onto his stomach. When he decided he'd waited long enough, he strode from the

room fully naked, heading straight for the door at the end of the hallway. Opening the door just a crack, he peeked in, delighted to see Keigo had ended his stream and was cleaning the cooling cum from himself.

Golden eyes darted to meet his as he nudged the door open further, a smile spreading across the blond's flushed features.

“Good stream tonight?”

Keigo smirked, eyes trailing down to the cock in need of his attention. “You know it.”

And he did; they both knew Touya watched every stream without fail.

Keigo's tongue lolled out obediently as Touya approached, smiling up at him, pressing his chest out and showing off his perfectly arched back.

“C'mere pretty boy, time for a real cock.”

Chapter 2

Chapter Notes

Hello, it is I 🤖

I honestly thought I posted this addition I wrote for [Kinktober 2021](#), but apparently I did not oops LOL, my bad y'all

I added a few tags that are only mentioned briefly it worth tagging anyway (like breeding/begging)

Anyway enjoy this extension!

Even though Touya had only made a brief appearance once in one of Hawks' streams, over half of the camboy's usual audience demanded to see more of him. On a rare occasion Hawks had allowed him a front row seat to the show, sitting out of shot and wanting nothing more than to leap from his chair and give the blond the real thing. And of course, the audience had known Hawks had a guest hidden offscreen since he hadn't exactly been subtle with his heavy-lidded gaze holding eye contact with Touya periodically while he worked his cock or fingered his hole.

Honestly, Hawks shouldn't have been all that surprised when Touya stepped into frame in the farewell of his stream. The blond camboy had the audacity to narrow his seductive eyes at Touya despite automatically reaching for the pierced cock jutting inches from his face. The viewers had only seen the completely nude mystery man from the waist down. Hawks had dragged his gaze back to the screen after a silent chide to his impatient boyfriend, stroking him with a meanly tight grip as he addressed the chat, preparing to log off for the night. He'd snorted a few times at the curious demands flooding in, reading a few aloud.

"Explosive_Bitch420 says '*who's the bitch with the pretty dick*'. Think I'll keep that one to myself for now," Hawks had said with a flirty wink to the camera, turning his head slightly and mouthing at the head of Touya's cock without breaking contact with the camera. In between kitten licks along the pulsing shaft, Hawks had read another, "ShyTentacleGuy—love that user by the way—says '*I'm usually a passive viewer but wanted to say I'd pay so much money to see more of that man.*' Hm, I dunno 'bout that," his voice had taken on a teasing lilt. More messages had poured in, agreeing with the comment and offering an obscene amount of money for it.

And really, who was Touya to say no to fucking his boyfriend for money when he hits it for free all the time.

The next stream, Hawks' viewers were greeted with a different sight: a tall, pale, lean man with a shock of black hair and a black mask covering the lower half of his face lounging back

with spread knees, familiar pierced dick resting heavily against his thigh. Their favorite blond streamer peeked into frame with a knowing grin.

“Heyo~,” he purred, tucking a stray golden lock behind his ear. “Here’s the mystery man himself, Dabi. Now, where’s that support I was promised?” Hawks’ grin stretched even wider as donations larger than usual popped on the screen with dozens of requests, most of which the streamer would indulge.

Newly dubbed ‘Dabi’ sat straight, smirking behind his mask at the thirsty comments rolling in as Hawks crawled next to him, settling on all fours with his ass angled away from the camera. “Ready?” Keigo asked low enough for Touya alone to hear. Instead of answering verbally, he tangled his long fingers in soft golden strands, guiding Hawks’ head down to his lap.

Dabi could feel the smile on Hawks’ lips as he gripped the base of him, dragging the plush flesh up and down his shaft, wetting him with his tongue. The streamer stared into the camera all the while, keeping the audience captivated when his lips closed over the tip, inching down slowly, ladder of piercings disappearing into his mouth one after another. Dabi let the blond go at his own tempo, pale hand resting in his locks while he watched him bob slowly, setting a casual pace and showing off for his audience.

When Hawks buried his nose in neatly trimmed crimson pubes, Dabi’s free hand gave his ass a firm smack, smiling cheekily with a nasal laugh when the blond pulled back abruptly to glare at him. He couldn’t hold the sour look more than a couple seconds though since Dabi took his distraction as an opportunity to sink two fingers in his awaiting hole, humming in appreciation as Hawks’ eyes rolled back and silken walls pulsed on his digits.

The masked man found himself a little more turned on at the commenters demanding to see his fingers being swallowed by Hawks’ thick ass, taking a moment to rearrange the blond, ensuring to keep both the sloppy blowjob and fingering in frame. Dabi found himself staring at their mirror image on screen, rapt with seeing Hawks’ juicy ass swallow his fingers with practiced ease.

Judging by the comments from the viewers, they held the same spellbound sentiment as Dabi, unable to peel their eyes from the streamer’s lubricated ass being finger fucked, pretty mouth parted on a string of helpless mewls, muffled when he returned to deep throating Dabi’s cock with happy, exaggerated slurps.

A chime sounded and Hawks turned his attention back to the screen with his mouth full, humming at the animation letting him know they’d entered the next tier. Dabi’s hands latched onto Hawks’ lithe waist as he straddled his lap backwards to also face the camera, grinding his slick ass on his boyfriend’s cock repeatedly before finally lining up and sinking down in one fluid motion.

Hawks’ curse was a long and drawn out ‘*fuck*’ when his ass settled against Dabi’s hips, swiveling in a circular motion. Now Dabi didn’t have to do much, occasionally meeting the drop of Hawks’ hips to really grind deep, but otherwise letting him indulge his viewers in their requests, once even locking the streamer in a full nelson, lightly amused at the viewers being amazed with how easily Dabi was moving Hawks up and down his cock, several comments mentioning his bulging forearms.

Though Hawks was riding him again, essentially twerking on his lap, they'd shifted to give the viewers a side view. There were repeated requests with monetary attachments for Dabi to spank Hawks solely because they wanted to see the blond's ass turn red and jiggle from the blow, all of which the masked man granted of course.

Dabi was happy to let Hawks fuck himself stupid on his cock, hands guiding him down while he remained still for the most part, but he'd be much happier fucking him into the mattress.

On the next upwards drag, Dabi raised Hawks higher until his cock slipped from the hot warmth before manhandling him as the noirette rearranged himself to kneel behind the streamer, plunging hilt deep back into the tight heat and setting a brutal pace that had the blond gasping for air as it was fucked out of him.

A quick glance to the screen told Dabi the audience was being bratty yet again, a few complaining they couldn't see enough, earning a growl from the man. Easy fix though, but he'd rather the viewers take what he gives them.

Dabi lifted a tanned leg to display Hawks' impressive flexibility, hooking his knee around a pale shoulder, letting the camera perfectly capture both Dabi's cock plunging into that thick ass and Hawks' cock thumping against his abdomen with every thrust. The brutal slaps on skin were only overshadowed by the whining moans from Hawks as he quickly neared the precipice, eyes wide and pleading as he begged Dabi in earnest to fuck him harder.

"Breed my ass, breed my ass, please, please, *plea—ah fuck*, yes, please fill me up," the blond babbled as he was jolted again and again, one fist twisted in the sheets while the other jerked at his neglected sex. And who was Dabi to deny the request, especially when people were quite literally paying for a creampie.

Primal grunts and growls vibrated Dabi's vocal cords as he pistoned his hips with more intensity, thighs quivering as climax overcame him, forcing himself to keep going despite the maddening sensitivity so Hawks could follow him into oblivion. He ground deep, reveling in the blond's sweet moans while his ass pulsed around him, squeezing every drop of cum from him.

But the show wasn't quite over yet, Dabi giving the audience exactly what they asked (and paid) for, moving Hawks with soothing hands to present his well-fucked ass to the camera.

While Dabi's hands splayed across Hawks' ass, digging into the plump flesh and spreading them while his cum leaked from the gaping hole, the blond busied himself with licking Dabi's dick clean, panting between drags of his tongue, mewling at the masked man jiggling his cheeks in his large hands, fingers dragging through the mess and pushing it back in his ass.

Maybe Hawks would let Dabi become a regular guest on his streams now.
