(The words in parentheses could easily be something else)

"Do you choose to (follow,) or do you choose (to) ——— (predilection) cautious(ly).
——— The choice may be simple —— (though lit the) answer may be obfuscated
through the haze of (whatever music has appeared.) I'd say choose wisely, but I believe
that is not possible. "

Book Cypher Options

- Page; Line/row; Word
- Chapter; Line; Word
- Words only

Due to uncertain availability of physical books or PDFs with consistent page numbers, more likely to be word count (of any possible text).

Also, due to repeating “9”, and wording of previous poll options, likely to be 3 separate words rather than coordinates leading to a single word, further supporting word count theory.

To test possible texts more quickly, check first for the 9th word (or first word of 9th line, if poetry) to see if it is a significant noun or likely candidate to end both poll options.

As Bible verse:

Psalm 78:30 - “But before they turned from what they craved, even while the food was still in their mouths,”

Pslam 78:39 -“He remembered that they were but flesh, a passing breeze that does not return.”

Psalm 78:9 - “The men of Ephraim, though armed with bows, turned back on the day of battle;”

Jeremiah 17:7-9 - “7 - But blessed is the one who trusts in the Lord, whose confidence is in him. 8 - They will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit. 9 - The heart is deceitful above all things and beyond cure. Who can understand it?”

As Malevolent Text

Part 1: words spoken, 78/30/9: see right who, 17/7/9: friend you who
Oscar’s story about Father McKenna

As Malevolent Votes:

Part 16, Chapter 78: Head Left Where The Lantern Suggests [2] / **Head Straight Where The Creature Suggests** [11]

Part 6, Chapter 30: no vote

Part 2, Chapter 9: **Help Whomever You Can (Follow the Tracks)** [8] / Move Towards Your Own Goals (Continue to Harper's Hill) [1]

Part 4, Chapter 17: RUN [1] / **STAY** [7]

Part 2, Chapter 7: Head to the Police Station [3] / **Head to the Cummings Residence** [5]

Part 2, Chapter 9: **Help Whomever You Can (Follow the Tracks)** [8] / Move Towards Your Own Goals (Continue to Harper's Hill) [1]

Cipher numbers added together equals 150, Chapter 150 involves John being enchanted by the dark spot on the ceiling. Similar entity, similar situation?

Adding individual options:

$78+30+9=117$, Part 24 Chapter 117: **Go Down the Hole** [46] / Continue Looking for a Way Out [30]

$17+7+9=33$ Part 7, Chapter 33: **Widow's House** [9] / Lighthouse [4]

Revisiting the Malevolent votes option:

If we assume that the order that the votes appear in is significant, and that we should associate the 78,30,9 option (appearing in the first option position in this voting cycle) with the first voting option in Chapters 78, 30 and 9. This would result in:

Chapter 78: Head Where the Lantern Suggests

Chapter 30: No vote

Chapter 9: Help Whoever You Can (Follow the Tracks)

And that the 17, 7, 9 option should be associated with the second voting options in each of the chapters listed (as this appears in the second option position in this voting cycle)

Chapter 17: STAY

Chapter 7: Head to the Cummings Residence

Chapter 9: Move Towards Your Own Goals (Continue to Harper's Hill)

Hamlet:

Numerology:

Option 1: 9 Among the numbers in numerology, the number 9 holds a significant and powerful position. It symbolizes the idea of completion, though not necessarily finality. Instead, it signifies the conclusion of one phase, paving the way for the initiation of the next. And

Option 2: 6 Life path number 6 is destined for service, caregiving, nurturing, healing, and helping the vulnerable. 6 is also called “the mother of all numbers”
