

HOW TO READ A GERMAN PLATE

2018 AUDI Q5

SLEIPNIR / GERMAN-STYLE DISPLAY PLATE

D - DEUTSCHLAND

Germany; the country mark within the blue EU band.

DA - DARMSTADT

Registration district in Hesse.

SEALS - TOP / BOTTOM

TÜV / HU safety inspection;
Landeswappen state registration.

SLEIPNIR

Custom display identifier;
the eight-legged horse of Norse mythology.

WHY DARMSTADT?

German plates begin with a geographic district code; DA identifies Darmstadt. Hesse was chosen for the owner's family connection to the region.

FE-SCHRIFT

The anti-tampering typeface is designed to make characters difficult to alter - for example, changing a P into an R or an O into a Q.
