Notification of Saturday works

Dear Resident,

Firstly, we hope you and your families are all keeping well and safe in these unprecedented times.

We would like to let you know of changes to our working week which will now include Saturdays, commencing this Saturday 26 June 2021. This will be ongoing over the duration of the development and will allow us to complete our programme of works on time.

Operating hours during Saturdays will start at 8:00am until 1:00pm which are permitted within the approved planning conditions. Should we need to overrun, we will of course notify you and inform the Council.

We appreciate the inconvenience this may cause. We would like to thank you in advance for your help and patience whilst these works are carried out.
