

**AUCTION TRACT 24**

**LANDOWNER CONSENT FOR BIOSOLIDS APPLICATION**

The undersigned hereby agrees to the application of biosolids by Synagro at application rates in accordance with applicable laws and regulations.

OWNER NAME: Lexington Coal Company, LCC

ADDRESS: 1000 Pocket Rd Whitwell, TN 37397

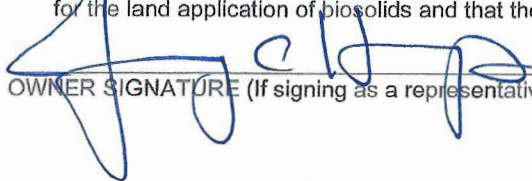

PHONE: ( ) \_\_\_\_\_

OPERATOR NAME: Bernard Higgins

FARM LOCATION(S): See Above

TOTAL ACRES: 368.64 COUNTY: Marian Co.

1. I understand that Synagro will coordinate biosolids deliveries with my farm operator hereinafter (leasee) unless otherwise advised by me.
2. I agree to allow Synagro and federal, state and local regulatory staff access to my land for the purposes of permitting the site, inspecting the site, applying biosolids, obtaining samples from the site and testing. I reserve the right to ask the above parties for proper identification at any time.
3. I understand that the following conditions apply to my land following biosolids applications and that my leasee has signed an agreement form with Synagro stating that my leasee will be responsible for following these conditions where applicable:
  - a. Animals shall not be grazed on the land for 30 days after the application of biosolids. In addition, animals intended for dairy production shall not be allowed to graze on the land for 30 days after the application of biosolids.
  - b. Food crops (crops consumed by humans including but not limited to fruits, vegetables and tobacco) with harvested parts that touch the biosolids/soil mixture and are totally above the land surface shall not be harvested for 14 months after the application of biosolids.
  - c. Food crops with harvested parts below the surface of the land shall not be harvested for 20 months after the application of biosolids when the biosolids remain on the land surface  $\geq$  4 months prior to incorporation into the soil, or 38 months when the biosolids remain on the land surface  $<$  4 months prior to incorporation.
  - d. Food crops, feed crops and fiber crops shall not be harvested for 30 days after application of biosolids.
  - e. Public access to land with a low potential for public exposure (land the public uses infrequently including but not limited to agricultural land and forests) shall be restricted for 30 days. Public access to land with a high potential for public exposure (land the public uses frequently including but not limited to a public contact site such as parks, playgrounds and golf courses) shall be restricted for 1 year.
  - f. Turf grown on land where biosolids are applied shall not be harvested for one year after application of biosolids when the harvested turf is placed on either land with a high potential for public exposure or a lawn, unless otherwise specified by the permitting authority.
4. I have also read the "Information About Biosolids" which is on the reverse side and incorporated by reference in this Consent.
5. In the event that a private third party brings a claim against you and us related to the land application, we will defend and indemnify you to the extent of our insurance coverage except to the extent that such claim is the result of your breach of law or regulation or your failure to follow any instructions provided by us.
6. The term of this Consent shall continue until written notification is given by either party to terminate this agreement.
7. I certify that I am holder of legal title to the above described property or am authorized by the holder to give consent for the land application of biosolids and that there are no restrictions to the granting of consent under this form.
