There are thousands of people in Irenton who need clothing. Scouts will organize and gather bundles in cooperation with American Legion members. This means that every scout of the council must be ready to report for duty.

Each troop will be assigned an area through its scoutinaster. Cards that will explain the needs for clothing are to be distributed to each house in your area. On Saturday morning, November 19, beginning at 9 o'clock, each house will be canvassed. We are counting on the assistance of every scout registered in the council.
