CHICAGO. May 25 (AP).—For the first time since he became a Cub regular. Hack Wilson, home run champion of the major leagues last season, has been benched for any reason other than injury. Wilson, who has batted out only two home runs this

season, and whose batting average to date is only 266—compared to his finishing mark of 356 in 1930, yesterday was relegated to the bench by Manager Rogers Hornsby, in an effort to add power to the Cub attack Hornsby did not say that Wilson would not be in the ball game when the club opens in Cincinnati tomor pudgy slugger would rest for several

It was reported while the Cubs were in New York that Wilson was to be removed from the lineup, and he did remain out for a day. However, Hornsby denied that Hack had been set down for a research on the control of the set down for any reason except an injury to a finger. He also denied that there was friction between himself and Wilson, and has continued

to deny it.

The Bengals went off into an early lead when they scored three runs in the second inning. After this they seemed to have the inyaders completely under control, and Krepps alpletely under control, and Krepps allowed only one hit in five innings to make life pleasant for his mates.

Today has been checked off as "get-away-day" by the City Playground Department, for tonight the quoit leagues will launch their sea-son. THE

The opening matches scheduled in Class A and Class C tonight have more than the usual significance. Commissioner George Page will be present to start the teams off and with him will be Charles P. Gillen, who is Commissioner of Parks in Newark. Mr. Gillen will be accompanied by several prominent Newark officials who will be guests of the Playground Department here and the purpose of the visit tonight is to study the system of quoit competition sponsored by the local department.

The quoit leagues as conducted by Commissioner Page and his department have earned considerable fame in outside recreational centres. Newark has recognized the value of this form of sport and is launching plans to introduce the game in its system. As a gable for mass competition among the less agile male athletes it is extremely popular. Newark park officials have recognized this and hence the visit here tonight. They will carry back to Newark tonight Commissioner Page's secrets in the conduction of this sport here.

Andy Prince, Pennington right fielder, set the season's record for hits in a single game when he recorded five straight in as many times at bat against Hopewell. Prince is one of the few home town players surviving in the CJ circuit, being a Penning-ton boy.

Many of these clubs were for-merly affiliated with the Metro-politan Association of the A. A. U., but transferred their alleg-iance to the New Jersey outfit: when it was organized. This more is looked upon as an upward one in the development of amateur sport in this State.

Pennington Beats Hopewell in C-J; MORRIS REVUE IS Cadets and Ewing Also Victorious

CENTRAL JERSEY LEAGUE Gadets, 9: Hamilton Township, 8. Ewing Township, 8: New Expt, 4. Pennington, 12: Hopewell, 1. Morrisville-Hightstown, postponed, rounds.

Wednesday Morrisville vs. Hightstown, at Windson

Pennington overcame a jinx of two veers' standing vesterday by beating its neighborly rival, Hopewell, in a Central Jersey League game, 12-1. Hightstown, the leader, was idle because of the unplayable condition of the Morrisville diamond. Meanwhile, the Cadets and Ewing Township won over Hamilton Township and New Egypt, respectively, to get within striking distance of the top.

Cliff Embley, husky left-hander, was a puzzle too difficult to fathom for the Hopewell batsmen yesterday as the neighboring rivals continued their traditional series at the Sunday diamond used by both. Pennington's batters, meanwhile, were ridding three Hopewell flingers for 17 hits and a 12-1 triumph to break a two-year-old jinx. A big crowd witnessed the one-sided tilt.

All last season, with both clubs in the Tri-County League, Pennington was unable to master Hopewell, try as it might. Four times the neighbors clashed and four times Hopewell was the victor, always by close scores. Their last meeting of the 1930 season resulted in a 1-0 triumph for the Machinemen. Several local trackmen are expected to enter the second annual outdoor track and field championships sponsored by the Newark A. C., at Weequahic Park in Newark. on June 20. This affair is under the direction of the New Jersey Association of the A. U., an organization only a year old, but already boasting a membership of fifty clubs.

Prince and Boyer, home town boys, led Pennington to yesterday's win getting five and four hits, respectively Boyer, who plays first base, batted in four runs. No Hopewell batsmen could solve Embley for more than one hit and it was only Ray O'Gurk's fourth inning single, scoring Arnold, which deprived the victorious moundsman of a shutout victory.

Novak, formerly of Vincentown in the Burilington County League, made his debut behind the plate for Hopewell mound and was followed by Embley. Gordon started on the Hopewell mound and was followed by Hirsch and Werking. The latter proved the most effective of latter proved the most effective of the trio.
