Dear Senator:

I beg to acknowledge your recent favor concerning the Washington Crossing Memorial Bridge which is now being discussed in a preliminary way before Congress. I would suggest that the conference which you propose be had first with Mr. J. L. Bauer, State Highway Engineer. Mr. Bauer will be glad to confer with you on the matter and if you will call him on the telephone or drop him a line, I am sure that a convenient date can be arranged in the very near future.

Very truly yours,

*F. M. Reeves.*
