COMMITTEE ON  
AGRICULTURE AND FORESTRY

C. A. LAWTON, CLERK

RECEIVED  
DEC 31 1936  
Department of  
Conservation & Development

December 30, 1936

Dear Chief Wilber:

You must indulge me for not sooner replying to your letter of December 8th but the stress of matters demanding my attention has been so great that it has been impossible for me to do so.

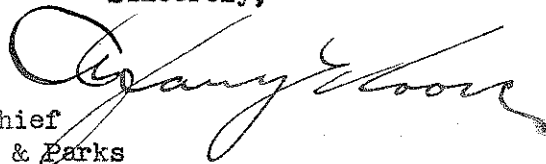

It seems to me that the idea of a Federal memorial in the form of a bridge at Washington's Crossing would be a very splendid thing. Of course, the way to go about it is to have an architect draw the plans and make up the application in the regular way for new projects and have it backed by both the states.

I shall be very happy to cooperate in every way possible.

With every good wish,

I am

Sincerely,

Mr. C. P. Wilber, Chief  
Division of Forests & Parks  
Dept. Conservation & Development  
Trenton, New Jersey
