jumped to safety seconds before

the collision.

Thirty-seven students of the School of Industrial Arts were graduated at the 50th annual commencement exercises held Friday night in the school gallery. The address was delivered by Theodore H. Kuch, general secretary of the Central YMCA. Henry J. Parcinski, president of Trenton Junior College and the School of Industrial Arts, presided. The diplomes and awards

were presented by Samuel Mountford, vice president of the school's board of trustees. Mountford is shown presenting awards of the Trenton Society of Architects to Roy E. Linker and Richard E. Bennett as Par-cinski looks on. Linker won first award for first and second year architectural students while Bennett was tops in the third

and fourth year competition, A

jury of the society made the selections on the basis of excellence in draftsmanship and design and evidence of progress toward professional architectur-al drawing. In the first-second year competition, George Chorlton won second prize and Leon O. Jednyak honorable mention. In the third-fourth year selections. Milton C. Lutostanski won second award and Charles J. Hunt honorable mention.
