2 Young Burglars Caught In Tavern

Mercer County juvenile authorities are holding two 16-year-old youths who admitted a string of burglaries after being caught in the act of robbing a River Road tavern by Ewing Township Police over the weekend.

Patrolmen Charles Whitehead and James Russell caught the pair in Dutchman's Bar and Grill after stopping to investigate a broken window. Police say that the pair had already rifled the cash box and had smashed open a juke box.

Under questioning the two youths admitted burglaries at the S. and S. Restaurant, Market Street; Charcoal Lunch, South Broad Street; Tony's Tomato Pie Restaurant, Hamilton Township, and Hamburg Heaven, Bordentown. The youthful intruders told police that they gambled away most of their loot at cards and dice.

Low-Flying Plane Sprays Pine Trees

Don't be alarmed if you see a low-flying airplane during the next week or two. The craft is spraying pine tree plantations in this area and northward to destroy European sawflies which infest such growth.

Piloted by Jordan Lederer, who flew bombers during the war, the plane left Mercer Airport this morning for the Washington Crossing State Park. Tracts at the Lawrenceville School and Mount Airy were others on the day's calling list. In all, a dozen counties will be visited.

The service is made available to pine plot owners through the State Department of Agriculture. The spray used is a DDT solution. Effective application requires the plane be flown within 50 feet of the trees.

Superstitions about horseshoes have persisted since they first were prodded by the Druids. The Romans nailed them to their doors to keep away the plague.

Her suffering and pain is past;
We know she has gone to realms of love
And in heaven has peace at last.
Sadly missed by grandaughter, Lillian.
