

# WELCOME FRIENDS AND NEIGHBORS! TO RADIO CONTROL AEROMODELING IN WASHINGTON CROSSING STATE PARK!

**The purpose of the Washington's Crossing Radio Control Flying Association is to promote and enjoy the sport of Model Aircraft Building and Flying. Our Flying Field is located in the NJ section of the Washington Crossing State Park. It is nestled on a picturesque hilltop allowing us to blend the majesty of flight with the beauty of nature. You are invited to stop by and watch us enjoy our passion. Bring friends and family. Take in the splendor of the Park. Ask questions and even find out how to get involved with our Hobby.**

- **Located in the Park for over 20 years!**
- **Strict Noise Abatement restrictions and procedures in place**
- **Academy of Model Aeronautics insured Site #1863**
- **Flying occurs generally afternoons during regular park hours**
- **Shaded benches and tables available for your comfort**
- **Rest room facility for members and guests**
- **Club activities throughout the year**
- **Youth programs**

**(See reverse side for directions and contact information)**
